

Entertainment District Parking Zone

FAYETTEVILLE PARKING

The city of Fayetteville has simplified and improved parking options in the Entertainment District and Downtown areas of the city. Our goal is to provide you choices that are clearly marked and cover a variety of needs, from short-term to all-day.

PAY STATIONS

You'll now find pay stations in and around the Dickson Street area. Use these stations to pay for your on-street parking, just enter your number, pay with either cash or a credit card and you're done. You can even add time from any machine, no matter how far you've ventured from your original parking space. In gated lots, payment must be made when exiting the gated areas.

IN THE DICKSON ST. AREA

The map above shows the locations of the pay stations that can be used for any on-street parking highlighted in green. *Streets highlighted in dark blue are for residential parking with a permit only.* If you park here and don't have a permit, you may receive a citation.

Parking is also available in private lots a short distance from Dickson Street. Please see each individual lot for payment options and restrictions.

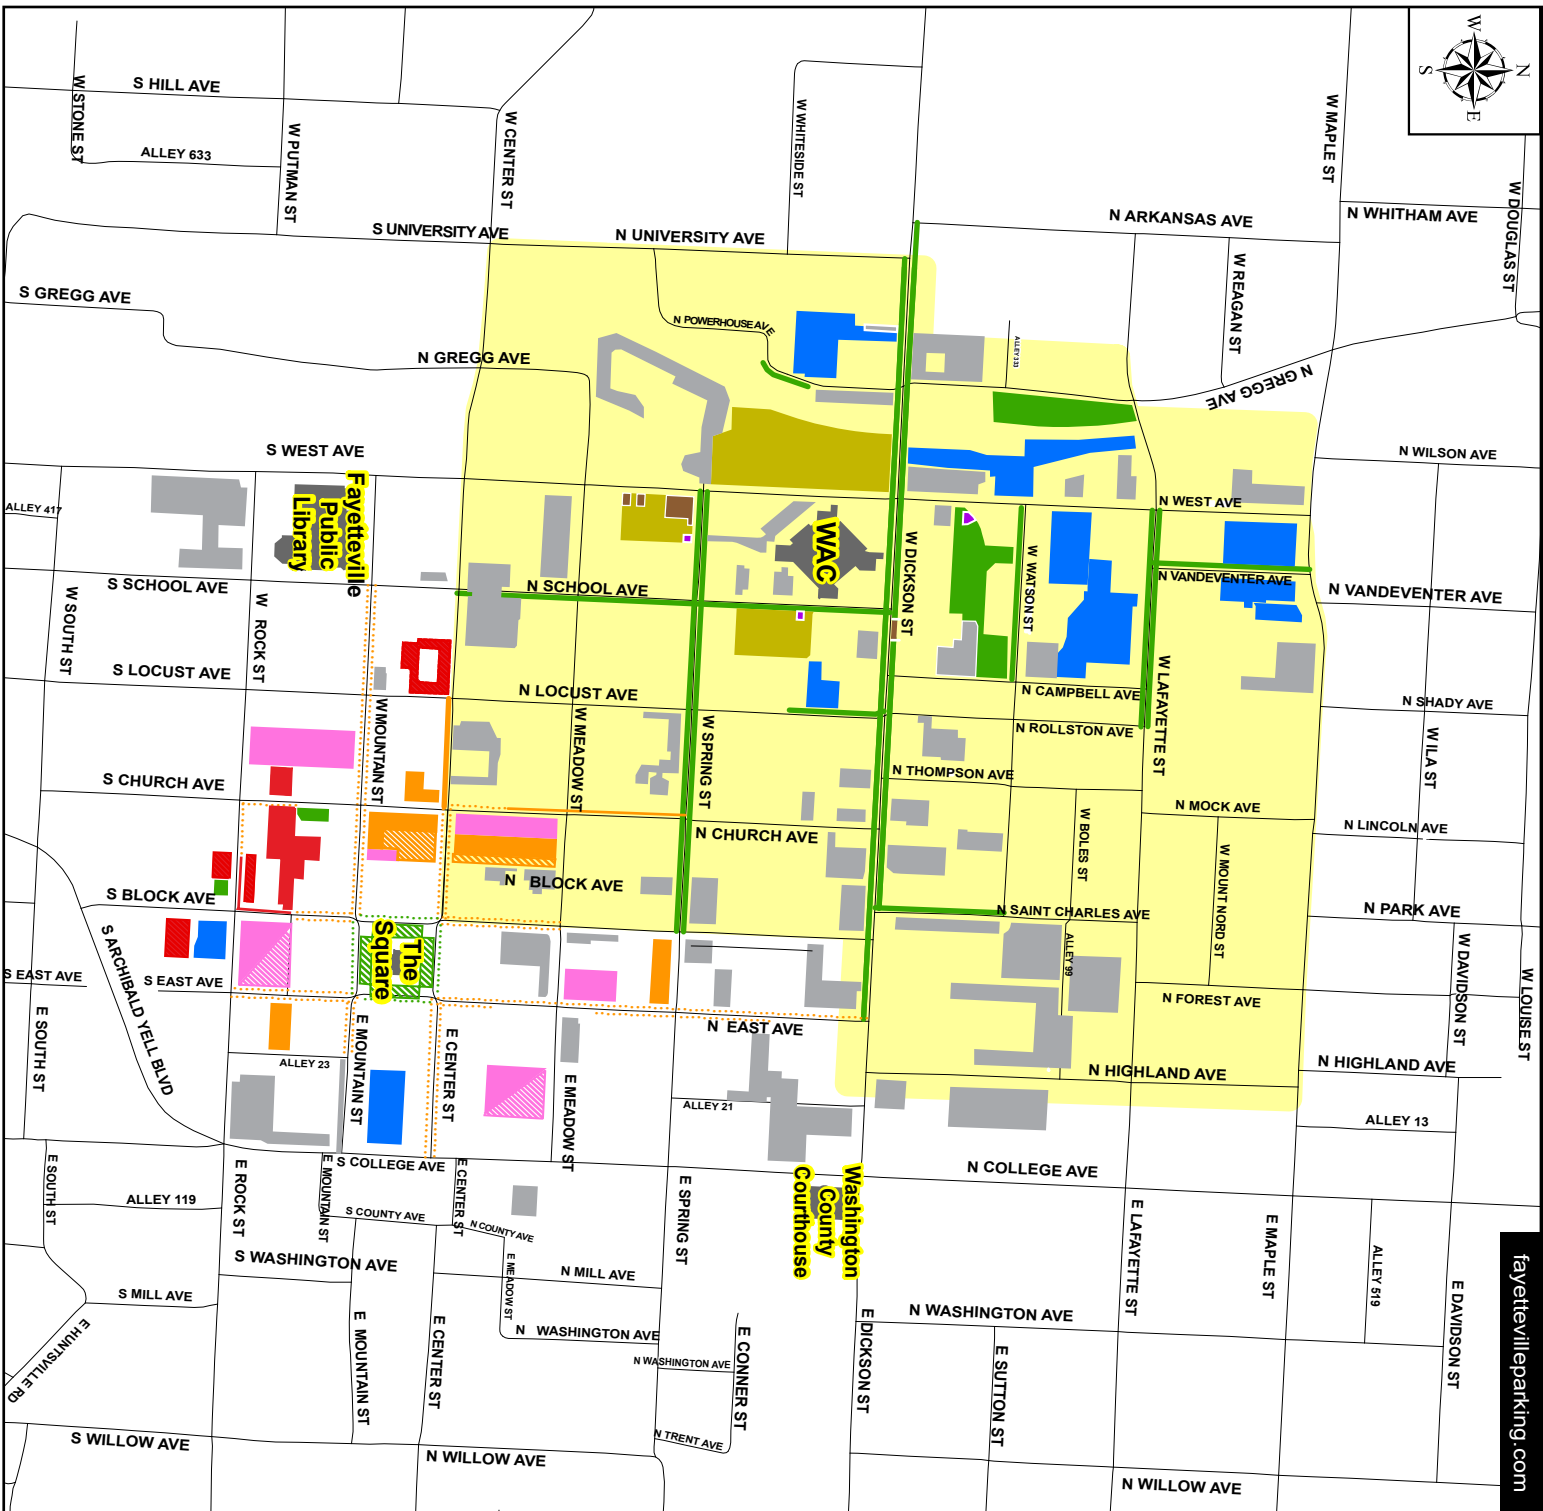

OUTSIDE OF THE DICKSON ST. AREA

Use the map on the other side of this sheet to find both free and paid parking available just outside of the Entertainment District area.
